The U.D.Accountant sanctioned for finalizing the bonus account in this district, was appointed with effect from 3-8-49. The period of three months, for which the post was sanctioned in the G.O.referred to above, will expire on 2-11-1949.

2. The registers relating to four Taluks have been scrutinised so far. The scrutiny has revealed numerous defects. In some Taluk disbursements of bonus, the amount refunded and the balance kept in Revenue Deposits, do not agree with the total amount drawn as per departmental accounts or as per treasury accounts. With a view to effect reconciliation, every disbursement register has been taken up for re-totalling. In each taluk, there are two sets of disbursement registers - one relating to the period prior to the receipt of Board's Ref.No.40951-U5/48(Cs) dated 24/9/1948 and the other for the subsequent period. The first set was maintained one for each village or tarf and the second for each disbursing officer. The registers relating to the first set were not written up as and when payments were made; but the entries in the application registers were transcribed first and the disbursements made later. They thus contain undisbursed items also, which have to be eliminated while re-totalling.

RC.

3. There are instances of incorrect arithmetical calculation of the bonus and consequent overpayments and short-payments also. The bonus period, according to Government Memo No.38772-A/47-3 dated 15-8-1947 and G.O.No.1310-Food Dept., dated 6-12-1947, is to run from 1-12-1946 to 6-12-47. Cases of payments for delivery of foodgrains prior of 1-12-1946 and after 6-12-1947 have also been noticed. Action is being taken for their recovery.

Not finished.

4. The accounts of two taluks have not yet undergone the preliminary check. It is not unlikely that similar irregularities will be found there also. It is only in one taluk that the accounts have yielded to reconciliation.

5. The arduous nature of the work has already been explained in this office report dated 4-5-49 referred to above. There are also 42 items of objection from the Accountant-General on vouchers relating to the payment of bonus which remain to be replied to. Considering the irregularities so far noticed and the volume of work still remaining to be done, I consider that the retention of the accountant for a further period of three months is absolutely necessary. I therefore request that Government sanction may kindly be obtained for the continuance of the post for a period of three months from 3-11-1949 to 2-2-1950. I may also be permitted to retain the U.D.Accountant beyond 2-11-1949 in anticipation of the sanction of the Government, so that the finalization of accounts may not be delayed.
